TOPIC: *THE BLESSED VIRGIN MARY - THE WOMAN OF LOVE IN MY FAMILY*

Is Mother Mary's roll important in my family? Why is she important?

The Blessed Virgin Mary is the one woman in the entire Bible who makes the claim: "All generations to come shall call me blessed." (Luke 1:48). And why is that? Well, Catholics believe it is because she was preserved from all time from sin by a special privilege of God. God got to create His own mother on earth.

St. Louis de Montfort says that the fastest and quickest way to reach Jesus is to be dedicated to Mary, as her role is lead you to her Son. Jesus came into the world the first time through the womb of Mary. It seems like Jesus is coming into the world the second time through the Immaculate Heart of Mary! Pope John Paul II's motto was "Totus tuus", or "Totally yours". John Paul II dedicated his entire papacy to Mary, knowing well that it would be the shortest and quickest route to Jesus.

Catholics view Mary as the person who will defeat satan on earth. But she will not do it alone. Everyone who is consecrated to Jesus through Mary will help her in her God given mission to defeat the enemy. As the Archangel Gabriel once said: "HAIL FULL OF GRACE."
