Eucharistic Miracles & Blessed Carlo

Born in London in 1991, Carlo Acutis and his family soon moved back to Italy. Carlo died in 2006 of leukemia, having offered his sufferings to the Lord. He was beatified in October of 2020. His story has captivated the world. The simple holiness of the teenager remains an inspiration to all. He is calling all of us to achieve holiness, no matter what state in life we are in. He learned about 136 Eucharistic miracles that occurred around the world and created a website to document them. He also created panel presentations that have traveled the world.
